SENATE RESOLUTION 955

Senator Ellis offered the following resolution:

WHEREAS, The Senate of the State of Texas is pleased to recognize the 50th anniversary of the Freedom Rides of 1961 and to welcome Robert Farrell, a participant in those historic efforts, which played a key role in the struggle for racial equality in the United States; and

WHEREAS, In May of 1961, an interracial group of bus riders set out to test the new law that forbade segregation in interstate transportation; organized by the Congress of Racial Equality and the Student Nonviolent Coordinating Committee, these riders employed the strategy of nonviolence to draw attention to the multiple injustices of segregation; and

WHEREAS, The rides began in Washington, D.C., where two teams of riders boarded buses to travel to New Orleans, with their route taking them through the deep South and exposing them to the threat of violent reprisals; the start of the trip went well, and the group was welcomed in Atlanta by Dr. Martin Luther King, Jr.; later along the route, however, the buses were attacked and riders were beaten by crowds; and

WHEREAS, The Freedom Riders' refusal to be intimidated, their steadfast and righteous defiance, and their brave commitment to their mission helped bring about the nationwide public realization that integration was a moral imperative while also inspiring the immediate and direct support of hundreds of young people, both black and white, who came from across the country to join them; and

WHEREAS, In August of that same year, another group of riders, including Robert Farrell, set forth from Los Angeles by train to further the cause of helping our nation implement the ideals of its founding; these riders were arrested and jailed in Houston for nonviolently attempting to desegregate that city's Union Station Coffee Shop; and

WHEREAS, These struggles for equality brought to the forefront many young people whose experiences in the Freedom Rides inspired them to become leaders in the civil rights movement and in their communities; leaders such as Congressman John Lewis of Georgia and longtime Los Angeles Councilman Robert Farrell have served as an inspiration to generations of activists working to effect societal change; and

WHEREAS, The Freedom Rides played a vital role in bringing attention to the inequities faced by African Americans in this country; it is truly fitting that they be recognized as a vital part of our shared history on the occasion of their 50th anniversary; now, therefore, be it

RESOLVED, That the Senate of the State of Texas, 82nd Legislature, hereby commend the Freedom Riders on their courage and their dedication to equal rights and call on all Texans to recognize their historic contributions to bringing our nation closer to its principles and ideals; and, be it further

RESOLVED, That a copy of this Resolution be prepared in honor of this significant occasion in our nation's history.

SECTION 27. Section 825.315, Government Code, is amended to read as follows:

Sec. 825.315. PROHIBITED USE OF ASSETS. (a) Assets of the retirement system may not be used to advocate or influence the outcome of an election or the passage or defeat of any legislative measure. This prohibition may not be construed to prevent any trustee or employee from furnishing information in the hands of the trustee or employee that is not considered confidential under law to a member or

committee of the legislature, to any other state officer or employee, or to any private citizen, at the request of the person or entity to whom the information is furnished. This prohibition does not apply to the incidental use of retirement system facilities by groups of members or retirees or by officers or employees of state agencies.

(b) This section does not prohibit the use of system assets by an employee of the retirement system to comment on federal laws, regulations, or other official actions or proposed actions affecting or potentially affecting the retirement system that are made in accordance with policies adopted by the board.

SECTION 28. Subsections (h) and (j), Section 825.403, Government Code, are amended to read as follows:

(h) If deductions were previously required but not paid, the retirement system may not provide benefits based on the service or compensation unless the deposits required by this section have been fully paid. The person's employer at the time the unreported service was rendered or compensation was paid must verify the service or compensation as required by Subsection (j) and the person must submit the verification to the retirement system not later than five years after ~~[member shall pay the amount of those deductions plus a fee computed at a rate of five percent a year on the unpaid amount from]~~ the end of the school year in which the service was rendered or compensation was paid. To establish the service or compensation credit, the person must deposit with the retirement system the actuarial present value, at the time of deposit, of the additional standard retirement annuity benefits that would be attributable to the purchase of service or compensation credit under this section, based on rates and tables recommended by the retirement system's actuary and adopted by the board of trustees ~~[deductions first became due or the end of the 1974-75 school year, whichever is later, to the date of payment]~~. The board of trustees shall:

- (1) prescribe terms for payments under this subsection; and
- (2) credit the person ~~[member]~~ for prior service to which the person ~~[member]~~ is entitled under this subtitle~~;~~ and
- ~~[(3) deposit the fee required by this subsection in the state contribution account].~~

(j) If deductions were previously required ~~[of a member]~~ but not paid, proof of service satisfactory to the retirement system must be made before service credit is granted or payment for the credit is required. Proof of service is sufficient if the person's ~~[member's]~~ employer documents that the employer has records made at or near the time of service that establish the amount of time worked and salary earned. ~~[A member may submit in lieu of employer documentation internal revenue, social security, bank, or other written records that were made at or near the time of service and that establish the amount of time worked and salary earned.]~~ An affidavit based on memory without written records made at or near the time of service is not sufficient documentation for the establishment of service credit. The retirement system may audit records used for documentation under this subsection. A person who does not obtain proof of service as required by this section may not establish the service or compensation credit.

SECTION 29. Section 825.408, Government Code, is amended to read as follows:

Sec. 825.408. INTEREST ON CONTRIBUTIONS AND FEES; DEPOSITS IN TRUST. The rate of interest is the rate established under Section 825.313(b)(1), plus two percent. Interest required under this section is creditable to the interest account. On request, the retirement system may grant a waiver of the deadline imposed by this subsection based on an employer's [~~a district's~~] financial or technological resources.

(b) An employer [~~employing district~~] and its trustees or other governing body hold amounts due to the retirement system under this subtitle in trust for the retirement system and its members and may not divert the amounts to any other purpose.

(4) an administrator, carrier, consultant, attorney, or agent acting on behalf of the retirement system;

(5) a governmental entity, an employer, or the designated agent of an employer, only to the extent the retirement system needs to share the information to perform the purposes of the retirement system, as determined by the executive director;

Sec. 33.0832. EQUAL OPPORTUNITY FOR ACCESS TO UNIVERSITY INTERSCHOLASTIC LEAGUE ACTIVITIES OTHER THAN FOOTBALL OR BASKETBALL. (a) In this section, "private school" has the meaning assigned by Section 39.033(d).

(b) The University Interscholastic League shall provide private and parochial schools with equal opportunity to become members of the league for the purpose of providing their students with access to league activities other than football or basketball.

(c) This section does not exempt a private or parochial school or its students from satisfying each rule or eligibility requirement imposed by this subchapter or the league for participating in an activity or league district sponsored by the league.

(d) A private or parochial school seeking to participate in a league activity or to become a member of a league district shall apply to the league on a signed form prescribed by the league. (5) require daily student attendance at a specific location.

(h) Nothing in this section affects the right of a private school participating in league activities during the 2010-2011 school year to continue participating in league activities in subsequent school years in a manner comparable to the school's participation during the 2010-2011 school year.

(i) Notwithstanding any other provision of this section, but subject to Subsection (h), the league shall implement this section by providing private and parochial schools with equal opportunity to participate in:

(1) league academic activities beginning with the 2011-2012 school year;
